Meet your Trustee team

Maxine Drake
Chair

I joined the Soup Kitchen as a volunteer when I retired and found the more I got involved, the more I wanted to help.

It's a privilege to be part of such an amazing group of people focused on helping others every day of the year - whatever the weather!

Maryana Stevens
Treasurer

I joined PSK to give something back and support a cause that makes a real difference in the community. As Treasurer, I oversee the charity's finances, helping ensure everything is well managed, transparent, and sustainable. I'm passiionate about making sure support reaches those who need it most and proud to be part of work that has a positive impact on people's lives

Fiona Winchester
Safeguarding Officer

After several years volunteering in the homeless sector, becoming a trustee felt a natural step. As Safeguarding Officer, I work with the council and partner organisations and help keep our policies up to date. I'm passionate about PSK's role as a lifeline and about ensuring the charity remains sustainable. Outside PSK, I enjoy volunteering, time with my family, and travelling in our camper van

Beccy Tyler
Secretary

I became involved with PSK after a workplace charity event and was inspired by the dedication of its volunteers. As Company Secretary, I support the trustees and team leaders with meetings, administration, and governance, always focusing on the safety of our clients and volunteers. I value being a trustee as a way to give back to the community

Ricky Barsby
Memebership Secretary

I joined the soup kitchen because I wanted to give back and support a cause that has a real impact on people in our community. In my role, I coordinate our volunteers and make sure all shifts are covered, helping the service run smoothly and reliably. It's rewarding to support such a dedicated team and play a part in ensuring help is there when it's needed most.

25 Years of Volunteering

A **huge thank you** to Kevin & Heather Dawson, who have accumulated **Twenty Five** years of volunteering at PSK.

Jenny Turner, Team Leader said:

'Kevin & Heather Dawson have given many years of dedicated service to Team 5 at Peterborough Soup Kitchen. Over that time, they recruited new volunteers from their church, friends, & colleagues, strengthening the team and its community roots.

They coordinated making sandwiches &cakes from their home, with Heather regularly baking & covering shortfalls. This generous effort meant Team 5's food cost PSK nothing.

Kevin served as a Trustee, visited schools to raise awareness & collect donations, also training new drivers. Both Kevin & Heather were always willing to step in at short notice carrying out their duties with exceptional reliability.

Team 5 — and our clients — will greatly miss them.'
