

## Figures

### Clients Served 2025

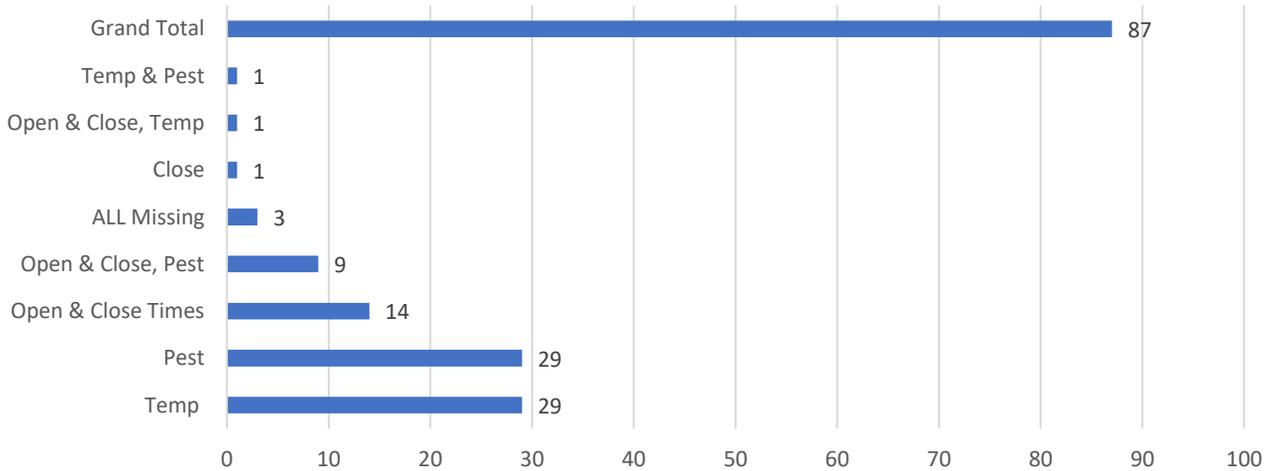

21,256 clients served in 2024!

Logbook completion was **61%** in December, averaging **76%** for 2025.

So that we can accurately forecast client numbers, it is important for the logbook to be completed **each & every** shift. Below are further details on the sections that have been missed throughout 2025...

### Missed Information: Daily Logbook

Our volunteers dedicated **655** hours throughout December, and a total of **8544** hours in 2025.

## Donations

Thank you to all that have donated throughout October, November & December.

We have also received £10,431 in cash donations over the three months.

**A huge thank you!**

## Service Readiness

Every Monday, Wednesday & Friday, our dedicated Logistics Team prepares & organises all food/drink items for each service. Items are placed on the clearly labelled shelves for each day.

**Please ensure you only take items from your own team's shelf.**

Taking items from other shelves can leave teams short for their service; your cooperation really helps keep everything running smoothly.

## Donations

Thank you to those that have donated recently; below are some of the highlights during December:

- **Persimmon Homes** for these beautiful fresh Turkeys!
- **Gordon**, for these tasty homemade Christmas cakes!

- **The Lettings Hub, Lynchwood**

- Thank you to **Princebuild** for supporting service during December!

And to our regular donators:

- Grasmere Farm
- Bakkavor
- Plants Eggs
- Tesco
- Pukka Pies
